Does your back ache? Have you suspected your kidneys?

Backache is kidney ache. With it comes dizzy spells, Sleepless nights, tired, dull days, Distressing urinary disorders, Cure the kidneys to cure it all. Doan's Kidney Pills bring quick relief.

Bring thorough, lasting cures. That's what Marshall men want. Profit then by another's testimony.

Twice-told and well confirmed E. G. Wheeler, Walnut & Parker Sts., Slater, Mo., says: "For nearly twenty years I was troubled by kidney complaint. My back was so lame at times that I could not stoop or straighten, and I was caused annoyance by irregular passages of the kidney secretions. Nothing seemed to help me until at last, I procured a box of Doan's Kidney Pills and began their use. They gave me great relief, soon removing the pain and lameness in my back and restoring my kidneys to a normal condition."

The above statement was given in June, 1906 and was confirmed by Mr. Wheeler on Nov. 19, 1908. He said: "The public statement I gave for Doan's Kidney Pills some time ago was correct. I have had no return attack of kidney trouble."

Tonic or Stimulant?

There is an immense difference between a tonic and a stimulant. Up one day, way back the next; that's a stimulant. Steady progress day by day toward perfect health; that's a tonic. Ayer's Sarsaparilla is a tonic, a strong tonic. The only Sarsaparilla entirely free from alcohol. Do not stimulate unless your doctor says so. He knows. Ask him. Do as he says. J. C. Ayer Co., Lowell, Mass.
